Notice of Non-Responsive Amendment

The reply filed on February 22, 2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): applicant failed to identify the claims drawn to the elected embodiment. Applicant is required to elect a single disclosed species and provide a listing of claims readable on that elected species (see Page 3, second paragraph of January 21, 2005 communication). See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

A response to applicant's traversal of the restriction and election of species will be provided in the forthcoming Office action after applicant has met the response requirement to the previous Restriction/Election of Species.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael Peffley whose telephone number is (571) 272-4770. The examiner can normally be reached on Mon-Fri from 6am-3pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Linda Dvorak can be reached on (571) 272-4764. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
